California Proposition 65 Declaration (Safe Drinking Water and Toxic Enforcement Act of 1986)

The Safe Drinking Water and Toxic Enforcement Act of 1986 (Health and Safety Code section 25249.5 et seq.), also known as Proposition 65, requires that the Governor of the State of California revise and republish at least once per year per Health and Safety Code section 25249.8.

Gowanda RCD, LLC acknowledges the requirements under Proposition 65 (Safe Drinking Water and Toxic Enforcement Act of 1986) Lists of Carcinogens or Reproductive Toxicants December 29, 2023.

Based upon RCD's current level of knowledge of our business operations and the scope of chemicals used therein, no substances on the California Proposition 65 Lists of Carcinogens or Reproductive Toxicants dated December 29, 2023, have been knowingly or intentionally added within any of our manufactured products allowing complete compliance and negating the requirements of warning labels per California Proposition 65.

Should future manufactured products not comply with California Proposition 65, Gowanda RCD, LLC will inform its customers as they relate to these compliance requirements.

The list is published in Title 27, California Code of Regulations, section 27001, and is available on the website of the Office of Environmental Health Hazard Assessment (oehha.ca.gov).

All inquiries regarding California Proposition 65 should be emailed to wsilva@rcdcomponents.com.
